Online Classroom Live

Online Classroom Live is our premium online study mode comprising a virtual classroom with interactive features to replicate a real-life classroom.

**Places are limited, so book early
to avoid disappointment**

Expert markers

For each paper, there will be a separate marker, who is also a tutor on the paper so students will benefit from 2 subject matter experts.

Quick-response feedback

Students will receive marked scripts back at the end of the day, with detailed, personal feedback.

Fully debriefed mocks

Benefits of the day:

- a full mock will be sat in sections
- each section will be interactively debriefed by the tutor, with a focus on attaining a pass grade (or better)
- tutors will identify good exam technique and enable students to hone their exam strategy
- technical knowledge will be polished, with our subject experts focussing on commonly tested areas

No time out of the office

Our question-based days are all on Saturdays – so no time out of the office.

Open to all students

Students do not have to have attended any other BPP courses in order to get the benefits from our question-based days.

Vickie Corson

Deputy ACCA Programme Manager

Modules taught:

Core

- ✓ **20 years' experience in the Jersey finance industry**

Vickie has a wealth of industry experience, Vickie started her career as an auditor, working for 4 years with a big 4 audit firm. Vickie studied and qualified with the ACCA. Vickie's career progressed as she accepted a variety of roles within both local and international trust and company providers. Vickie uses this knowledge and real-life examples to bring to life the diverse range of subjects that the students will cover for this paper.

Vickie's main responsibilities are delivering high-quality tuition across the ACCA, Chartered Governance Institute and ICAEW qualifications. Vickie is also the BPP Channel Islands Deputy ACCA Programme Manager and enjoys supporting students at all stages of their qualifications.

Vickie holds a teaching qualification and her teaching style is to make passing easy, by making study relevant to the student's own experience and memorable. Vickie's focus on exam technique and exam standard question practice from the outset gives her students the very best tools to assist them in passing their exams.

James Hay

Head of Professional Qualifications

Modules taught:

Accounting

James's results speak for themselves

- ✓ **Tutor of student with global highest score for ACCA AA, had 100% pass rates**, including for ICAEW CR, ICAEW FAR, ACCA TX, ACCA ATX and ACCA AAA

James joined BPP in 2013 after working for Baker Tilly as an Audit Supervisor. Prior to that he worked at EY as an Economic Analyst then Audit Associate/PQ Executive and where he qualified as a Chartered Accountant. James also has a BA Hons degree in Finance, Accounting and Management which he gained at the University of Nottingham.

James' main responsibilities are preparing and delivering high-quality courses within the ACCA, Foundations in Accountancy, ICAEW and Chartered Governance Institute qualifications. James understands the students in his class and is very aware of what they look for in a tutor. He feels that a student's understanding is enhanced by attempting practical examples once the technical content has been covered.

Therefore, in class, question practice will be done throughout the courses to ensure every student can apply their learning to exam style questions, with detailed debriefs provided after each attempt.

Chris Usher
Managing Director

Modules taught:
Investments

- ✓ **Over 20 years' experience in investment management and 10 years' as a tutor**

Chris has over 20 years' experience in international financial services, working both in the UK and offshore, for major financial institutions such as Barclays Wealth and Santander. Formerly an International Investment Manager he advised both individuals and corporate entities on complex investment scenarios. He now specialises in delivering training in investment management, taxation and regulatory matters in international finance centres around the world.

Chris is a specialist chairman of a number of high-profile events, including conferences such as the Annual Compliance & Economic Crime Symposium and the International Taxation Conference. As an expert in the financial crime risks posed to international offshore financial centres, Chris was invited to speak at the Association of Certified Anti-Money Laundering Specialists (ACAMS) conference on the topic of 'Understanding the Criminal Vulnerabilities of Offshore Products and Services'.

The BPP tutors are always friendly, approachable and helpful, encouraging one-to-ones where necessary and always on hand when needed!
