Advice for Computer Based Exams

You can study these papers in any order within each level, but for the best results once you reach FIA Diploma / start Knowledge BPP recommend studying one paper at a time starting with F1.

Exam fees are not included in the course price. As demand for these exams is high it is advisable to book your exam at the same time you book your course as this way you can get your preferred date at your chosen BPP location. We recommend booking your exam within two weeks of completing the course whilst the knowledge is still fresh and remember to qualify for our Pass Assurance you must sit the exam within three weeks of your course ending.

We advise you don't join a cohort any later than three weeks after it has begun. Joining later will mean you have significant work to do to catch up with the rest of the cohort. If you wish to book after the start date of the course please contact 0845 0751100. Booking is subject to availability.

For other options see our **Online Classroom Live** or **In Centre** dates

We recommend you follow these steps:

- Choose which sitting you are aiming for – remember you can study a paper at every sitting, alternative sittings or choose the sittings that work best for you
- Choose the study mode that meets your needs - you can mix and match for different exams
- Remember you don't need to wait for your exam results before you start studying your next paper
- If you're unsuccessful with one of your exams you should re-attempt the paper at the next sitting – don't worry if you've started studying your next paper as BPP will offer you free deferral until the next sitting
