

June 2019 ACCA Question Based Days (QBDs)

Question Based Days are a chance for students to practice exam questions under exam conditions with immediate tutor and marker feedback. QBDs have been known to be highly effective in taking a marginal fail to a pass.

The day will be from 09.00 - 16.00 and will take the following format:

- The tutor gives a short set up for each question including question technique
- Students do the questions to time
- The scripts are handed to a marker to mark whilst students do the next question
- Tutor gives back scripts and debriefs the question with students
- Over the day the question set ups decrease as the student gains confidence in their own ability.

The last session will be either short form questions or a quiz whilst the marker completes the marking for the last question. The final scripts are given back with the mark for that question plus the overall percentage for the day and the student's class position.

The price is £250.00 (excl. GST) and the sessions will be held as below.
